

We understand that choosing a child care provider or early education program is a very difficult decision. Thus, we are truly honored when our current families refer their friends, family and neighbors to The Children's Workshop!

If you refer a new child to TCW, and they remain with us for at least four weeks, we will reward **BOTH you and the new family** (see below). It's the least we can do to thank you for your trust and recommendation!

Simply complete the form below and we will take care of the rest.
